COVENANT CORNER

Garbage

For items that are too large, heavy or bulky to fit into the brown garbage cart, curbside collection is made monthly.

- All garbage must be contained in garbage bags within the brown cart.
- The lid must be completely closed.
- Overstuffed carts will not be picked up.
- Bags left outside the cart will not be picked up (except city-issued "Pay Bags").
- The cart must be at the curb by 7 a.m. on your pickup day.
- You may set out your cart after 6 p.m. the night before your pickup day.
- Place cart so that the handle faces your house and the serial number faces the street.
- Place cart a few inches from the curb or edge of the street; do not place cart in street.
- Retrieve cart from curb by midnight on your pickup day.
- City ordinance requires residents to store carts so they can't be seen from a public street while standing in front of the house.

Bulk Trash

Fort Worth provides monthly curbside collection at residential homes

of items that are too large, heavy or bulky to fit in the brown garbage cart for normal garbage pickup.

The following items should not be set out as part of bulky item collection:

- No trash, garbage, rubbish, waste or any material of any kind in plastic bags
- No leaves, grass or other yard trimmings in plastic bags. These items should be set out in paper yard bags for weekly yard trimmings and brush collection.
- No automobile parts, batteries or tires (residents can dispose of four tires every six months at city drop-off stations)
- No contractor remodeling and demolition debris such as shingles, wall-board and lumber
- No electronic equipment such as computers (use the city drop-off stations)
- No household appliances that contain coolant, gasoline or other chemicals, including air conditioners, refrigerators and lawnmowers (accepted at city drop-off stations)
- No dirt, rocks, concrete or ceramic tile
- No liquids, poisons or explosives

How much can you set out?

Bulky item pick-up is limited to 10 cubic yards (about eight feet long, six feet wide and six feet tall) at no extra charge to each household that receives curbside garbage and recycling collection. There is an extra charge for piles exceeding 10 cubic yards.

When do you put items at the curb?

Place bulky items on the curb by 7 a.m. Monday of your assigned week. You may place items on the curb as early as 6 p.m. the Friday before your assigned week. Crews have until the following Saturday at 5 p.m. to pick up bulky items. After crews have collected on your street, do not place more bulky items on the curb until the next month on your designated week.

Yard Trimmings

Yard trimmings and brush are collected separately from garbage so that they can be taken to a facility where they're turned into mulch — instead of depositing them at a landfill and wasting valuable natural resources.

Getting rid of yard trimmings and brush weekly:

Bag it - Place leaves, grass clippings and other small trimmings in Paper Yard Bags purchased at grocery

stores, hardware and garden stores. Roll the paper yard bag top closed; don't staple or tape to close. There is no limit on the number of paper bags you may set out.

Bundle it - Use string or twine to bundle shrub and tree trimmings. Bundles should be no more than four feet in length and weigh no more than 40 pounds. People, not machines pick these up by hand. There is no limit on the number of tied bundles you may set out.

Stack it - Individual tree and shrub limbs up to eight feet long and four inches in diameter can be stacked at the curb on your weekly pickup day. No plastic bags, garbage, bulky items, stumps or root balls are accepted in brush piles. Root balls and stumps (maximum 18" diameter) may be placed in the bulky items pile. To avoid collection charges, make sure piles do not exceed 10 cubic yards.

Cart it - Use the optional 96-gallon green yard cart, available for \$75 by calling the city's customer service center (817-392-1234). The one-time fee is charged on your water bill, but

Creating the Memories

Each year we are reminded of summer safety. We all know about the curfew laws, how to deter crime and water safety. This summer, let's strengthen our families; build on our relationships to create a stronger family unit. The parents of the graduating seniors are already exclaiming, "Where did the time go?" Now is the time. Parents, this is your chance.

Summer is a special time for the kids and families. Summers build lasting memories for all ages. With our phones in hand, we can capture the moments and send them around the world. Building and storing them in our minds, takes an extra effort. They must be created to leave a permanent impression for years to come.

Summer experiences have changed through the years from simple pleasures of going fishing to extreme sporting and exotic vacations. This summer, keep in mind the memories you have as a child and try to pass those experiences on to your family. Keep it simple and relaxing. Not to impress, out do or overwhelm the kids. Explore those journeys, embrace this time and make this summer a lasting memory.

5 FUN FACTS ABOUT THE FOURTH OF JULY

The Fourth of July, or Independence Day, celebrates the anniversary of the adoption of the Declaration of Independence in 1776. It's a national holiday, celebrated with everything from flag raising ceremonies to backyard barbecues and fireworks. To celebrate our nation's birthday, here are a few fun facts you may not have known about the 4th of July and American history.

5 Fun 4th of July Facts:

1. What animal did Benjamin Franklin supposedly prefer as the official national bird over the bald eagle?

Benjamin Franklin is said to have wanted the wild turkey to be the national bird but was outvoted by both John Adams and Thomas Jefferson, who chose the bald eagle, a bird of prey native only to North America, as the official bird of the United States of America.

2. How many hot dogs are consumed, on average, at barbecues on the Fourth?

The 4th of July and barbecues go hand-in-hand, so it's probably no surprise that over an estimated 150 million hot dogs are consumed in the United States each Independence Day. Break that down, and that's roughly one hot dog for every two people in the U.S.

3. What year was the 4th of July first celebrated at the White House?

The first recorded 4th of July celebrations were in 1777 on the one-year anniversary of the adoption of the Declaration of Independence. The first 4th of July party held at the White House, however, wasn't until 1801, when it was held by President Thomas Jefferson.

4. Why were the stars on the original American flag arranged in a circle?

The 13 stars on the American flag were arranged in a circle to represent equality between the original thirteen colonies. Although there were several versions of the early flag, including one with the stars arranged in vertical lines, the "Betsy Ross flag," which depicts the stars in a circle, was the most popular.

5. When was the 4th of July declared a national holiday?

Although the anniversary of the Declaration of Independence has been celebrated since 1777, the 4th of July was not declared a national holiday until 1941. The 4th of July wasn't referred to as Independence Day until 1791.

Did you know that VOWS has a Facebook page???

The number of users on our neighborhood Facebook page is growing! We find this to be a great tool to get the word out about everything from lost pets to community events and everything in between.

Visit

It's important to note that the Facebook page is not monitored or endorsed by the Homeowner Association or FirstService Residential. It was created by residents as a tool to help inform neighbors of things such as missing pets, items for sale and barter, small groups and events, and so much more.

Woodland Springs Homeowner's Association

The purpose of a homeowners association (HOA) is to maintain, enhance and protect the common areas and interests of the subdivision or neighborhood. Individual homeowners, as members of the association, pay periodic assessments support & utilize neighborhood amenities (pond, pools, parks, tennis courts, etc.). The assessments pay for community expenses such as entrance monuments, landscaping, amenities like clubhouses, tennis courts, or walking trails, insurance for commonly-owned structures and areas, an on-site management company, or any other item delineated in the governing documents or agreed to by the homeowners' association.

Currently, the Advisory Committee, which is comprised of elected residents, is the intermediate group between the residents and the Board of Directors and Centurion American (VOWS developer). This will continue until full development of VOWS is completed. The sub-committees report to the Advisory Committee. All residents are invited to attend Advisory Committee meetings which are normally held the 4th Tuesday of each month at 6:30 pm at the Amenity Center on Timberland.
