YOU HOLD THE KEY TO YOUR DREAMS

Home Equity Lines of Credit at 3.50% APR and 25 Year Terms*

Your key to cash may be right under your roof. You may want to consider a Colonial Home Equity Line of Credit to:

- Consolidate and pay off high interest credit card debt
- Purchase large ticket items such as a car, furniture or wedding expenses
- Remodel your home: add a pool, renovate your kitchen or add a bath
- The choice is yours! Use the funds as you wish.

You can use the Colonial Home Equity Line of Credit like a credit card, but unlike a credit card the interest you pay on a home equity loan may be tax deductible (consult your tax advisor). Get started today while interest rates are still low!

STORAGE SHEDS

Thinking about getting a Storage Shed? There are specific guidelines regarding sheds. You want to make sure you have approval prior to installing it. The plastic tuff sheds are not approved. Typically the only sheds that are approved are wood. The shingles have to match the shingles on your home and the trim needs to be painted to match the trim on your home as well. You also need to include a copy of your survey or detailed drawing showing the exact placement of the shed on your property.

To obtain an Architectural Control Committee form, please visit the HOA website at www.woodlandspringshoa.com or call the onsite office at 817-741-1719.

Here is what the CC&R's have to say about Accessory Structures and sheds:

5.3.7 Accessory Structures. Without the prior written approval of the ACC, accessory structures – such as dog houses, gazebos, playhouses, trampolines, swimming pools, greenhouses, pergolas, workshops, backyard kitchens, fire pits, and tornado shelters are

prohibited (not allowed) if (1) they exceed the height of a fence, or (2) are visible from a street or common area, or (3) are visible by a person standing on the surface of an adjoining lot. Accessory structures may not be located in front yards or in unfenced portions of side yards facing streets. If an accessory structure is installed in violation of this Section, the ACC reserves the right to determine that the accessory structure is unattractive or inappropriate or otherwise unsuitable for the Property, and may require the owner to screen it or to remove it. Except for children's playhouses, dog houses, greenhouses, gazebos and buildings for storage of lawn maintenance equipment, no building previously constructed elsewhere shall be moved onto any Lot, it being the intention that only new construction be placed and erected thereon.

5.3.8 Storage Sheds. A detached storage shed (one per residential lot) shall be allowed on the property with the following conditions:

- Shed shall be no larger than 10' x 8'.
- Shed shall be no taller than 9'0" as measured from the ground.
- Shed shall not be visible from the street immediately in front of the lot on which

the shed is located. Additional review and consideration will be given to corner Lots to assess visibility of sheds from the side streets.

- Shed shall be situated behind the wooden privacy fence.
- Shed shall be painted to match the trim color of the house.
- Shed shall have a roof shingle similar to the roof shingle on the house.

These conditions are a guide for review by the Architectural Control Committee (ACC). The ACC may grant variance from these conditions or impose additional restriction(s) on a case-by-case basis.

Fort Worth Garbage & Recycling APP

The city is encouraging residents to take advantage of the Fort Worth Garbage & Recycling APP that can be downloaded free from GooglePlay or iTunes for Android or Apple devices. Residents will receive reminders before their service days as well as incidents that we're experiencing currently with the delayed bulk collections. You can choose how to receive reminders: text message, email or voice message.

Following these simple guidelines will help the contractors stay on schedule for collection:

- Place bulk items on the curb by 7 a.m. Monday of your assigned week.
- Tree limbs that are greater than four inches in diameter or longer than eight feet are considered bulk.
- If you're putting out other bulk items, such as furniture, they need to be kept separate from the yard debris to allow for proper and timely collection.

For additional questions, notify the city's call center at 817-392-1234.

Yard of the Month

Congratulations to the homeowners at 3804 Applesprings Drive for the most beautiful yard in VOWS for May 2016. The homeowners received a \$30 gift card courtesy of The Flower Ranch @ 901 S. Pearson Lane, Keller, a yard sign designating them Yard of the Month, and of course, bragging rights! Thanks for making VOWS a beautiful place to live! If you would like to nominate someone for yard of the month, please email vows.admin@fsresidential.com.

The Villages of Woodland Springs "Yard of the Month" was established to promote goodwill and reward exemplary lawn care in the VOWS subdivision. The purpose of the program is to recognize neighbors who demonstrate above-average efforts in maintaining their property, thereby contributing to the overall appearance of the community at large. This is a great award and the program is administered entirely by volunteers and nominations from homeowners. The Villages of Woodland Springs Homeowners Association is dedicated to improving the quality of living and appearance of our community. We encourage residents to take pride in their homes and neighborhood. In turn, we look to celebrate those who do a superior job in maintaining their yards in such a way that they enhance the overall curb appeal of the entire community.

CODE BLUE CONNECTION

FWPD 6TH DIVISION

We have long awaited news of the Fort Worth Police Department 6th Patrol Division in North Fort Worth. A new patrol division in our area will bring much needed police presence. On April 19, the city council approved the purchase of 2 tracts of land on the west-side of Old Denton Road, just north of North Tarrant Parkway. The budget for design and construction of the facility is 7.5 million dollars. The city council anticipates the construction to fulfill the needs of our rapidly growing area.

What does this mean for us? Currently, the police have the city divided into 5 Divisions, North, East, South, West and Central (being the downtown area). The land mass of the current North Division will most likely be divided, creating a "Far" North Division. This will extend north to the city limits at the Denton County line, north of Texas Motor Speedway. This new division will bring added police presence and better response times.

In Woodland Springs we are very fortunate to have paid Off Duty Officers and a very active Citizen's on Patrol volunteer Group. This added protection has kept our crime at an all-time low! We can all do our part by keeping our garage doors closed, our cars locked and the possessions out of plain sight.

If you would like to know more about the Fort Worth Police Citizen's on Patrol Program, please contact Brenda.Fitts@fortworthtexas.gov. For more information.

Soliciting... NOT IN VOWS!!

Please be aware that it is a crime for solicitation to occur in the City of Fort Worth (without a permit). There have been a string of solicitors in VOWS recently who have been selling a household cleaner without a permit. Other vendors have been reported as well. Our own Officer Sawyer shared that often times these solicitors are checking out homes with the intent to later burglarize them. If you see a solicitor, call the Fort Worth Police non-emergency number, describe the solicitor, describe what they are

selling, and where they are located (what street). With your help we can get these unwanted individuals out of our community.

COMMUNITY ACTIVITIES

*If you'd like to inform residents of a club, group, hobby, or interest, let us know - email the management office at lisa.roquemore@fsresidential.com with the subject **ACTIVITIES**. Only residents who are current with VOWS HOA assessments may participate. All meetings below are at the Amenity Center unless otherwise noted. Please note that scheduled activities or details may change after The Woodland Word goes to print, but up-to-date info can be found at: www.woodlandspringshoa.com/community-events-calendar/*

Apollo Dog of the Month!

Hello, My name is Oakley. Do you want someone to LOVE, because I am looking for that special someone? Can you find it in your heart to be my special someone? I love to play and run, I've had some leash training as well, and I know how to jump on a pedestal to get love and petting. Oh and if you happen to have any food treats that's even better....

I am currently available for adoption or foster; and I'm living at the Apollo Support and Rescue Adoption Center in Justin. My mommy was a collie and I may be mixed with shepherd, but not entirely sure. My personality is one that doesn't work out well for the kennel environment; I'm stressed out here and has caused me to become somewhat skinny. I'm healthy other than the weight loss. Up to date on shots, neutered, friendly, lots of energy. I really like small children, they make me feel comfortable. If you have a doggie at home, it would be better if I could do some slow meetings with him/her before I know if I can be around them and enjoy their company. So right now it may be better if I am the only dog.

If interested in meeting Oakley, please email:
inquire@apollosupportandrescue.org

New Horseshoe Pits In Vows

The new horseshoe pit is located at the beach area of Pond #2 – Near Hickory

VOWS has one set of Horseshoes that are available for “rental” at the HOA office on Timberland. There is no charge to use the

horseshoes, but you must leave your contact information and a refundable deposit \$50 (check or cash – you will receive it back upon the return of the horseshoes). Please return the horseshoes within 24 hours. (48 hours if the office is closed) to have your deposit returned.

HOW TO PLAY HORSESHOES

The game is to be played with two to four players, either player-versus-player or pair-versus-pair.

Each player throws -- called "pitching" in the game -- a horseshoe, trying to catch the shoe on a stake in the ground, or at the least land the shoe within 6 inches of the stake.

Games are made up of innings and there are 2 pitches per player or team per inning. The first player or pair to score 40 points wins the game.

HAVE FUN!

FREQUENTLY ASKED QUESTIONS

What is the difference between a Payment Plan and a Direct Debit Plan?

Payment Plan - If you are behind on your assessment payment and need a little more time to pay you can set up a payment plan to assist you in becoming current on your account. There is a \$25 setup fee charged for this option. Please call the Customer Care Line at 877-378-2388 for more information and to assist you in setting up this plan.

Direct Debit Plan – In a direct debit plan you will have monthly payments deducted from your bank account that will accrue towards your next upcoming assessment – please go online to www.paylease.com or call Customer Care at 877-378-2388.

Important Information about the Direct Debit Plan

The Direct Debit plan only works if you are current on your assessments and you start the plan in January or July. Starting the plan on any other month will not accrue enough money to cover your next assessment due date and will result in late fees, interest and additional notice fees.

***Starting the Direct Debit plan in January or February will ensure you have enough money in your account to cover the upcoming July assessment.

***Starting the Direct Debit plan in July or August will ensure you have enough money in your account to cover the upcoming January assessment.

Assessments are \$245 semi-annually (January 1st & July 1st.) To set up a monthly direct debit you will need to have \$40.84 scheduled to be deducted from your account every month. You will have accumulated \$245.04 in your VOWS Account and your assessment will be PAID IN FULL & ON TIME!

Resident Speaker Guidelines

We are very excited you are getting involved in the community. Your opinions are very important to all VOWS residents, and especially to the Advisory Committee (AC). In order to provide the best results we have prepared a list of items below for you to review and/or take action on. The purpose of the Resident Speaker forum is for all residents to be able to share opinions and concerns with the committee.

Complete the Resident Speaker Card and turn into the AC Chairperson before the start of the Resident Speaker section of the meeting. (Please provide one form for each topic you wish to present)

Plan your presentation to last no more than 5 minutes. If you feel it will require more time, make sure this is indicated on the Resident Speaker Card, as well as making the office aware when you schedule your presentation date. Please indicate how long you feel you will need.

Please provide handouts at the meeting with as much detail as possible.

Please do not expect an answer or response the evening of the presentation. The topic you address will be placed on the agenda for the next AC meeting.

At the discretion of the AC Chairperson, if your topic is considered an urgent matter requiring an AC decision (same evening) due to severity or a deadline, it will be placed on that night's agenda under New Business.

- During your presentation committee members may ask the AC Chairperson for permission to address the speaker.
- At the end of the presentation, if you are a VOWS resident, you are encouraged to stay for the rest of the meeting. It is the desire of the Advisory Committee that all homeowners participate in these meetings by way of attendance.
- A follow up notification will be sent to you when a decision is made.

***If you have any questions on the above procedures, please contact Ed Simon, General Manager, at ed.simon@fsresidential.com.

17 YEARS REAL ESTATE EXPERIENCE MAKES A BIG DIFFERENCE!!!

VOWS Assessment Collections Update

As some of you may be aware, when you are late paying your dues, you can be levied with late fees, collection fees and interest. Until recently, if the account became delinquent by \$1,000.00 or more, your account could be sent to the attorneys and a lien filed against your home. However, in order to lower if not eliminate the unpaid assessments, the amount triggering filing of a lien has now dropped to \$500.00. Liens, if the assessments owed continue to accrue, can lead to foreclosures and you could lose your home.

Please be timely in payment of your assessments

so none of the unfortunate circumstances described above happen to you. Thank you!!

Monthly Assessments Don't Get Behind - It Costs More!

Everyone goes through tough financial periods when the bills start accumulating and the light at the end of the tunnel seems to be getting dimmer and dimmer. But, as is most often the case, those times pass and through determination and careful financial planning we are able to get back on our financial "feet" once again.

During those challenging periods it is often tempting to avoid meeting certain financial obligations in order to meet others. However, when deciding which bills to "juggle" and which to pay remember that your semi-annual association dues are just as important as your mortgage payment. If you don't pay your mortgage, you will eventually lose your home. Likewise, if you don't pay your semi-annual assessment, the association has the right to foreclose on your property and sell it.

More importantly however, is that should you let your assessment become delinquent, in order to bring your account current, you will have to pay more than the original monthly assessment amount. Late fees, interest charges and if applicable various administrative and legal fees must also be paid. The bottom line: Don't juggle your assessment payment. Pay on time and avoid paying more (and possibly losing more!) in the long run.

Remember, your next assessment is due July 1st. Please be timely in payment of your assessments.

Rockin' the River - Live on the Trinity

TUBING IS BACK AT PANTHER ISLAND PAVILION

Come get your butt in the water and a beer in your hand, tube the Trinity River and enjoy free concerts every Thursday. It's a free weekly summer concert series with a cool twist, the stage is right on The Trinity River in the shadow of downtown Fort Worth. Land lubbers are welcome too, so bring a blanket or chairs and enjoy the music from the shore. Top it all off with an awesome fireworks show

and we'd call that a near perfect night.

Every Thursday

Woodland Springs Homeowner's Association

The purpose of a homeowners association (HOA) is to maintain, enhance and protect the common areas and interests of the subdivision or neighborhood. Individual homeowners, as members of the association, pay periodic assessments, support & utilize neighborhood amenities (ponds, pools, parks, tennis courts, etc.). The assessments pay for community expenses such as entrance monuments, landscaping, amenities like clubhouses, tennis courts, or walking trails, insurance for commonly-owned structures and areas, an on-site management company, or any other item delineated in the governing documents or agreed to by the homeowners' association.

Currently, the Advisory Committee, which is comprised of elected residents, is the intermediate group between the residents and the Board of Directors and Centurion American (VOWS developer). This will continue until full development of VOWS is completed. The sub-committees report to the Advisory Committee. All residents are invited to attend Advisory Committee meetings which are normally held the 4th Tuesday of each month at 6:30pm at the Amenity Center on Timberland.
