Fort Worth Garbage & Recycling APP

The city is encouraging residents to take advantage of the Fort Worth Garbage & Recycling APP that can be downloaded free from GooglePlay or iTunes for Android or Apple devices. Residents will receive reminders before their service days as well as incidents that we're experiencing currently with the delayed bulk collections. You can choose how to receive reminders: text message, email or voice message.

Following these simple guidelines will help the contractors stay on schedule for collection:

- Place bulk items on the curb by 7 a.m. Monday of your assigned week.
- Tree limbs that are greater than four inches in diameter or longer than eight feet are considered bulk.
- If you're putting out other bulk items, such as furniture, they need to be kept separate from the yard debris to allow for proper and timely collection.

For additional questions, notify the city's call center at 817-392-1234.

City of Fort Worth — Working together to build a strong community.

Soliciting... NOT IN VOWS!!

Please be aware that it is a crime for solicitation to occur in the City of Fort Worth (without a permit). There have been a string of solicitors in VOWS recently who have been selling a household cleaner without a permit. Other vendors have been reported as well. Our own Officer Sawyer shared that often times these solicitors are checking out homes with the intent to later burglarize them. If you see a solicitor, call the Fort Worth Police non-emergency number, describe the solicitor, describe what they are selling, and where they are located (what street). With your help we can get these unwanted individuals out of our community.

THE HISTORY OF VETERANS' DAY

(formerly Armistice Day)

November 11, is the anniversary of the Armistice which was signed in the Forest of Compiègne by the Allies and the Germans in 1918, ending World War I, after four years of conflict.

At 5 A.M. on Monday, November 11, 1918 the Germans signed the Armistice, an order was issued for all firing to cease; so the hostilities of the First World War ended. This day began with the laying down of arms, blowing of whistles, impromptu parades, closing of places of business. All over the globe there were many demonstrations; no doubt the world has never before witnessed such rejoicing.

In November of 1919, President Woodrow Wilson issued his Armistice Day proclamation. The last paragraph set the tone for future observances:

To us in America, the reflections of Armistice Day

will be filled with solemn pride in the heroism of those who died in the country's service and with gratitude for the victory, both because of the thing from which it has freed us and because of the opportunity it has given America to show her sympathy with peace and justice in the councils of the nation.

In 1927 Congress issued a resolution requesting President Calvin Coolidge to issue a proclamation calling upon officials to display the Flag of the United States on all government buildings on November 11, and inviting the people to observe the day in schools and churchesBut it was not until 1938 that Congress passed a bill that each November 11 "shall be dedicated to the cause of world peace and ...hereafter celebrated and known as Armistice Day."

That same year President Franklin D. Roosevelt signed a bill making the day a legal holiday in the District of Columbia. For sixteen years the United States formally observed Armistice Day, with impressive ceremonies at the Tomb of the Unknown Soldier, where the Chief Executive or his representative placed a wreath. In many other communities, the American Legion was in charge of the observance, which included parades and religious services. At 11 A.M. all traffic stopped, in tribute to the dead, then volleys were fired and

taps sounded.

After World War II, there were many new veterans who had little or no association with World War I. The word, "armistice," means simply a truce; therefore as years passed, the significance of the name of this holiday changed. Leaders of Veterans' groups decided to try to correct this and make November 11 the time to honor all who had fought in various American wars, not just in World War I.

In Emporia, Kansas, on November 11, 1953, instead of an Armistice Day program, there was a Veterans' Day observance. Ed Rees, of Emporia, was so impressed that he introduced a bill into the House to change the name to Veterans' Day. After this passed, Mr. Rees wrote to all state governors and asked for their approval and cooperation in observing the changed holiday. The name was changed to Veterans' Day by Act of Congress on May 24, 1954. In October of that year, President Eisenhower called on all citizens to observe the day by remembering the sacrifices of all those who fought so gallantly, and through rededication to the task of promoting an enduring peace. The President referred to the change of name to Veterans' Day in honor of the servicemen of all America's wars.

Yard of the Month

Congratulations to the homeowners at 11508 Compton Trail for the most beautiful yard in VOWS for October 2016. The homeowners received a \$30 gift card courtesy of The Flower Ranch, a yard sign designating them Yard of the Month, and of course, bragging rights! Thanks for making VOWS a beautiful place to live!

If you would like to nominate someone for yard of the month, please email vows.admin@fsresidential.com

The Villages of Woodland Springs "Yard of the Month" was established to promote goodwill and reward exemplary lawn care in the VOWS subdivision. The purpose of the program is to recognize neighbors who demonstrate above-average efforts in maintaining their property, thereby contributing to the overall appearance of the community at large. This is a great award and the program is administered entirely by volunteers and nominations from homeowners. The Villages of Woodland Springs Homeowners Association is dedicated to improving the quality of living and appearance of our community. We encourage residents to take pride in their homes and neighborhood. In turn, we look to celebrate those who do a superior job in maintaining their yards in such a way that they enhance the overall curb appeal of the entire community.

COVENANT CORNER

Lately, we've had a lot of phone calls from homeowner concerned that sofas, mattresses and even commodes being placed on the curb for bulk pick up by a neighbor during the middle of the month. Management is also noticing bulk trash on the curbs during our compliance drives. Bulk Pickup for VOWS starts the first Monday of the month.

Here's what our documents state about trash:

5.2.3 Dumping and Trash. No Lot or other area on the Property shall be used as a dumping ground for rubbish or a site for the accumulation of unsightly materials of any kind, including, without limitation, broken or rusty equipment, disassembled or inoperative cars, other vehicles or discarded appliances, furniture and/or grass clippings. Trash,

garbage or other waste shall not be kept on any Lot except in sanitary containers hidden from view of the street. All incinerators or equipment for the storage or other disposal of such material shall be kept in clean and sanitary condition. Materials incident to construction of improvements may be stored on Lots during construction so long as construction progresses without undue delay.

Here's what the City of Fort Worth states about bulk items:

When do you put items at the curb?

Place bulky items on the curb by 7 a.m. Monday of your assigned week. You may place items on the curb as early as 6 p.m. the Friday before your assigned week. Crews have until the following Saturday at 5 p.m. to pick up bulky items. After crews have collected on your street, do not place more bulky items on the curb until the next month on your designated week.

The following items should not be set out as part of bulky item collection:

- No trash, garbage, rubbish, waste or any

material of any kind in plastic bags

- No leaves, grass or other yard trimmings in plastic bags. These items should be set out in paper yard bags for weekly yard trimmings and brush collection.

CODE BLUE CONNECTION

The Fort Worth Police Officers protect and serve the residents of Woodland Springs as well as all the residents of Fort Worth. A day doesn't go by the Officers don't put their lives on the line for us. Even a minor traffic stop can become deadly. Not only do they protect us, but try to help us when we become victims of crime. An investigation will begin after the crime is reported.

Did you ever wonder what would happen if crime was not reported? The property that gets recovered, can't be returned to the owner without a report. The offender can't be charged if the crime was never reported. A suspicious person who isn't reported, may break into a home after you pass them. When not reported, a drunk driver may kill an innocent victim or in our current world, a suspicious person planning a terror attack.

Some residents have resorted to ONLY reporting their crime on Facebook, instead of reporting it to the police. The police do not read Facebook to stay informed of crime. They rely on the public reporting the crime. If the crime isn't reported, the police have no way of knowing it ever occurred. In some cases, our crime statistics may be low, just because crime is not reported through the proper channels of the police dept. Also, keep in mind that Facebook posts (about a criminal episode) may hinder the investigation of that crime.

If the police don't see any crime reported in an area, they certainly aren't going to saturate the area with extra police coverage! All crime needs to be reported. To report a crime or suspicious activity you may call the non-emergency number 817 335-4222 or 911 in an emergency. If the report does not need the immediate attention of an Officer, you can place an on-line report at www.fortworthpd.com.

Officer Barry Sawyer (3199) is our Neighborhood Police Officer. If you would like to know more about this subject or would like to know about how you can make a difference in our community, he can be reached at Barry.Sawyer@fortworthtexas.gov or 817 994-3453.

Woodland Springs Homeowner's Association

The purpose of a homeowners association (HOA) is to maintain, enhance and protect the common areas and interests of the subdivision or neighborhood. Individual homeowners, as members of the association, pay periodic assessments, support & utilize neighborhood amenities (ponds, pools, parks, tennis courts, etc.). The assessments pay for community expenses such as entrance monuments, landscaping, amenities like clubhouses, tennis courts, or walking trails, insurance for commonly-owned structures and areas, an on-site management company, or any other item delineated in the governing documents or agreed to by the homeowners' association.

Currently, the Advisory Committee, which is comprised of elected residents, is the intermediate group between the residents and the Board of Directors and Centurion American (VOWS developer). This will continue until full development of VOWS is completed. The sub-committees report to the Advisory Committee. All residents are invited to attend Advisory Committee meetings which are normally held the 4th Tuesday of each month at 6:30pm at the Amenity Center on Timberland.

Did you know that VOWS has a Facebook page???

The number of users on our neighborhood Facebook page is growing! We find this to be a great tool to get the word out about everything from lost pets to community events and everything in between.

Visit
facebook.com/woodland.springs
today!

It's important to note that the Facebook page is not monitored or endorsed by the Homeowner Association or FirstService Residential. It was created by residents as a tool to help inform neighbors of things such as missing pets, items for sale and barter, small groups and events, and so much more.
