FORT WORTH

City of Fort Worth

Get connected and stay informed about city services and programs. The City of Fort Worth is launching a new information delivery service to help you get connected to your city government and stay informed about services and programs.

With the addition of this new GovDelivery platform, subscribers can choose the topics they wish to read about and determine when and how often these topics are delivered to them. Daily and weekly digest of information will be available.

All city departments will be using GovDelivery as their mechanism for news and information to residents. No content is going away – it will just look a tad different and be delivered in a new, more convenient format. If you are an existing subscriber or member of a city email list, we have transferred your email to this new program.

Visit the subscriber preference pages at the link below to manage your subscription, sign up for new topics and tell us how often you want to receive updates so you continue to receive important community news.

Pool Access Card Registration

Dear VOWS Residents,

In order to remove unauthorized users from the pool access system, we have deactivated all of the VOWS pool access cards.

In order to reactivate your card, you need only to call, email or fax the onsite office and be prepared to provide your name, address and card number. If the information you provide matches the information we have in your file, we will reactivate your card.

If the information you provide does not match our records, you may be asked to provide proof of current ownership and/or residency.

**Owners leasing their properties will need to update/verify their tenant's information before the tenant's pool card(s) will be reactivated.

All pool access cards were deactivated on Monday, December 5, 2016. You may contact the office any time after to reactivate your card.

Please remember that these cards also give access to the playground bathrooms, so you may wish to reactivate them immediately. Thank you for your understanding and cooperation.

COVENANT CORNER

The Responsibility of Neighbors and a Fence

The responsibility of neighbors regarding fences may vary by local statutes, personal arrangements, and HOA rules. You want to be on good terms with your neighbor, but sometimes tensions arise when mutual fence issues are viewed differently by each neighbor. When conflicting viewpoints come up, work to find a mutually satisfactory compromise. If a mutual compromise cannot be found, look at the legal ramifications involved to see what your rights and responsibilities are.

If the fence in question is on a property line between your property and your neighbors, both parties have a responsibility for its maintenance and replacement. Discuss with your neighbor what you consider to be the needs and steps to take for the repair before you begin the process. Make a plan that is agreeable to both parties. For example...you could both work on it, or hire a contractor and split the costs. All arrangements and costs should be understood

beforehand. Remember, after you have repaired or replaced the fence, it's too late to ask your neighbor to share the costs since you proceeded on your own. Avoid trouble by talking to your neighbor and making joint decisions.

Here's what your CC&R's have to say about fences:

5.3.4 Fences & Walls. This Section is subject to the ACC's right to adopt additional or different specifications for construction or reconstruction of fences. Any fence or wall must be constructed of masonry, brick, wood or other material approved by the Association. No chain link fences are permitted (except community athletic fields). No fence or wall shall be permitted to extend nearer to any street than five feet (5') back from the front of any residence. However, all side yard fencing on corner Lots shall run parallel to the curb and may be placed up to the side Lot line and shall not extend beyond a point of five feet (5') back behind the front of the residence on that side. Any fence or portion thereof that faces a public street shall be so constructed so that all structural members and posts will be on the side of the fence away from the street so that they are not visible from any public right-of-way. No portion of any fence shall extend more than

eight feet and one-half inch (8 ½') in height. If Owner desires to stain the fence the approved stain color is medium brown. All other fence stain or fence paint colors must have prior ACC approval. Retaining walls must be constructed entirely with ACC approved materials; however railroad ties may not be used for a retaining wall visible from a street. Fences may not be constructed between a dwelling's front building line and the street. Each owner, at owner's expense, must maintain the fence to a standard and with the appearance that is that is commensurate with the neighborhood. Specifically, each fence must not have:

- a. Rotting fence posts causing fence to lean
- b. Missing or broken fence panels or boards
- c. Boards that are not secured to main fence structure

All fences and walls must be maintained in good and slightly condition. Maintenance of fences and walls located on Lot lines between two Owners' Lots are the responsibility of such Owners, to be apportioned between such owners as they see fit or in accordance with Texas law. The Association shall not involve itself in disputes between Owners regarding maintenance of fences and walls.

Fort Worth Garbage & Recycling APP

The city is encouraging residents to take advantage of the Fort Worth Garbage & Recycling APP that can be downloaded free from GooglePlay or iTunes for Android or Apple devices. Residents will receive reminders before their service days as well as incidents that we're experiencing currently

with the delayed bulk collections. You can choose how to receive reminders: text message, email or voice message.

Following these simple guidelines will help the contractors stay on schedule for collection:

- Place bulk items on the curb by 7 a.m. Monday of your assigned week.
- Tree limbs that are greater than four inches in diameter or longer than eight feet are considered bulk.
- If you're putting out other bulk items, such as furniture, they need to be kept separate from the yard debris to allow for proper and timely collection.

For additional questions, notify the city's call center at 817-392-1234.

FWPD Community Camera Program

If you currently utilize private video surveillance at your home or business, the FWPD would like to hear from you. The partnership the FWPD has with the community can help with the surveillance of criminal episodes. As Crimes occur nearby, the surveillance camera owners are not always aware that their system may have captured information that could help solve a crime, thereby keeping our community safer.

The police department is asking residents and business owners to register their privately owned surveillance camera system. The police may be able to use footage gathered from your security cameras to assist in the apprehension and prosecution of criminals involved.

By registering your camera, you will only be contacted by the FWPD if there is a criminal incident in the vicinity of your security camera. They may contact you to view your footage.

Let's help make Fort Worth an undesirable place for criminals to commit crime and help keep our community safe.

If you would like to register your video surveillance equipment and allow officers to contact you, should crime occur in the range of your cameras, please fill out the registration form online at www.fortworthpd.com. The information provided to the FWPD regarding your camera system will be for official use only. Your personal information will remain confidential, except as required by law.

If you have questions about this program, please contact: Officer Barry Sawyer at www.barry.sawyer@fortworthtexas.gov.

If you would like to know more about the Citizen's on Patrol Program, please contact: Brenda Fitts the North Division Coordinator at www.Brenda.Fitts@fortworthtexas.gov.

January Assessments are NOW PAST DUE

Money is the life blood of a homeowner association. Since there is no government bailout for HOAs, if one member doesn't pay, the rest have to pony up.

Just a few homeowners who stop making HOA fee payments can cut into an association's budget quickly. If too many homeowners stop paying their HOA fees, lenders may be unwilling to make mortgages or refinance properties in the community. That can hurt property values.

If you don't pay your mortgage, you will eventually lose your home. Likewise, if you don't pay your semi-annual assessments, the association has the right to foreclose on your property and sell it. More importantly however, is that should you let your assessment become delinquent, in

order to bring your account current, you will have to pay more than the original assessment amount. When we have to send reminders and 2nd notices, you pay for the stamps and administrative cost.

You can mail your assessment to:

Man's Best Friend

Pet ownership can be a pleasure but they are often a common cause for complaints. It is the responsibility of each pet owner to clean up after their pet. Do not leave a barking dog outside all day and/or night. Be considerate of your neighbors. Remember "love 'em, leash 'em." Always use a leash – it's the law! A leash is required for all pets that are not in your back yard. This is true for cats, as well as, dogs.

PET OWNERS PLEASE TAKE NOTE:

Dogs are always welcomed in the Villages of Woodland Springs but what is not welcomed by the neighbors is when a dog is allowed to roam freely through other yards, or leaving their "calling cards" for someone else to pick up (instead of the dog's owner) or barking morning,

noon or night while others, including babies, are trying to sleep. Have your dog and enjoy your dog... but always be mindful of the dog's behavior. For harmony, take steps to control wandering pets and /or excessive barking.

Along with our Standards, the City of Fort Worth has ordinances pertaining to animals also. In regards to dogs; they are not allowed off your premises without a leash; they are not allowed to bark consecutively for long periods of time. If you spot a dog wandering loose (it could be from another area, no way of knowing) or if the barking goes on and on for long periods feel free to call Animal Control at 817-392-1234.

Here's what your CC&R's have to say about this topic:

5.3.9 Animals. No animals or livestock shall be raised, bred or kept on the Property except that dogs, cats or other household pets may be kept for the purpose of providing companionship for the private family. Animals are not to be raised, bred or kept for commercial purposes or for food. It is the purpose of these provisions to restrict the use of the Property so that no person shall quarter on the premises cows, horses, swine, goats, sheep, rabbits, guinea fowls, ducks, chickens, turkeys, skunks, bees, or any other animals that may interfere with the quietude, health or safety of the Community. Pets must

be restrained or confined by their Owner to the back yard of the applicable Lot, inside a fenced area or within the residence erected thereon, provided any such pets may be walked only if such pet is restrained by a leash. It is the Owner's responsibility to keep the front of their Lot clean and free of pet debris. All animals must be properly tagged for identification. Unless the Rules provide otherwise, the subsections of this Article shall govern animals at the Property.

5.3.9.1 Disturbance. Pets must be kept in a manner that does not disturb the peaceful enjoyment of residents of other Lots.

5.3.9.2 Waste Removal. Resident is responsible for the immediate removal of his pet's waste from the common areas or the lot of another owner.

5.3.9.3 Liability. An owner is responsible for any property damage, injury, or disturbance caused or inflicted by an animal kept on the lot. The owner of a lot on which an animal is kept is deemed to indemnify and to hold harmless the Board, the Declarant, the Builder(s) and the Association, from any loss, claim, or liability resulting from Builder(s) and the Association, from any loss, claim, or liability resulting from any action of the animal or arising by reason of keeping the animal on the Property.

Soliciting... NOT IN VOWS!!

Please be aware that it is a crime for solicitation to occur in the City of Fort Worth (without a permit). There have been a string of solicitors in VOWS recently who have been selling a household cleaner without a permit. Other vendors have been reported as well. Our own Officer Sawyer shared that often times these solicitors are checking out homes with the intent to later burglarize them. If you see a solicitor, call the Fort Worth Police non-emergency number (817-335-4222), describe the solicitor, describe what they are selling, and where they are located (what street). With your help we can get these unwanted individuals out of our community.

Food Delivery...Of Course, There's an App for That!

By KWills

DoorDash Food Delivery is an incredible app for your phone as well as an online food delivery service that is super easy to use and delivers to over 250 cities including Keller and Fort Worth. No more searching for restaurants that will deliver, simply go online to doordash.com or download the DoorDash app on your phone, enter your address and choose a restaurant.

When choosing a restaurant, you are able to sort by flavors such as Mexican, Sushi, Pizza, Salad, and Vegetarian to name a few. You can also choose by fastest delivery time and prices. DoorDash's delivery rates range from \$2.99 to \$6.99.

After you choose the restaurant and

place your order, sit back relax in your comfy chair. You can follow the progress of the Dasher (delivery person) and your meal being delivered straight to your door! Each time I ordered through DoorDash, I have been completely satisfied! My meal was delivered on time and the food order was correct! The dasher was courteous and my food was still hot!

DoorDash has a goal of bringing food delivery to every corner of the world! I am just glad DoorDash delivers to me!

Woodland Springs Homeowner's Association

The purpose of a homeowners association (HOA) is to maintain, enhance and protect the common areas and interests of the subdivision or neighborhood. Individual homeowners, as members of the association, pay periodic assessments, support & utilize neighborhood amenities (ponds, pools, parks, tennis courts, etc.). The assessments pay for community expenses such as entrance monuments, landscaping, amenities like clubhouses, tennis courts, or walking trails, insurance for commonly-owned structures and areas, an on-site management company, or any other item delineated in the governing documents or agreed to by the homeowners' association.

Currently, the Advisory Committee, which is comprised of elected residents, is the intermediate group between the residents and the Board of Directors and Centurion American (VOWS developer). This will continue until full development of VOWS is completed. The sub-committees report to the Advisory Committee. All residents are invited to attend Advisory Committee meetings which are normally held the 4th Tuesday of each month at 6:30pm at the Amenity Center on Timberland.

Did you know that VOWS has a Facebook page???

The number of users on our neighborhood Facebook page is growing! We find this to be a great tool to get the word out about everything from lost pets to community events and everything in between.

Visit
facebook.com/woodland.springs
today!

It's important to note that the Facebook page is not monitored or endorsed by the Homeowner Association or FirstService Residential. It was created by residents as a tool to help inform neighbors of things such as missing pets, items for sale and barter, small groups and events, and so much more.
