Need a mid-week stress reduction?

Join us for yoga Wednesday nights starting at 7:00 p.m. in the amenity center. All experience levels are welcome—from the novice to the advanced yoga student. Please bring your own mat and/or towel, and you may also want to bring a bottle of water. The class is free to all VOWS residents, 18 years of age and older, who are current on HOA dues.

If you have any questions, you can email Sara at sara@sullivanfitness.com,
and we look forward to seeing you there.

Early registration ends April 3.

Pool News

The 2012 VOWS Pool Season is only a few short months away. This season there will be some minor changes to look forward to. First, the Slide Pool will now have the same hours as our other 5 pools. It will be open Monday through Thursday from 10 am until 9 pm and from 10 am until 10 pm Friday and Saturday.

Next, the pool season, excluding the Slide Pool, will begin Tuesday, May 1 and continue through Sunday, September 30. The pools will now be open throughout the week for your swimming pleasure.

The Slide Pool will again open on Memorial Day Weekend and close after Labor Day. The week between Memorial Day and the end of school, Friday, June 1, will have the Slide Pool opening its gate at noon until 9pm.

Look for a complete pool schedule calendar enclosed in your semi-annual assessment billing coming in May.

As a reminder, all pool cards have been closed. To reactivate your card, please contact the management company by phone, email or by dropping by their onsite office.

 Veronica Melton.....303.525.6183
 Kaitlin Culwell.....817. 228.3581
 Cheyenne Saunders.....972.201.5014
 Taylor Ward.....858.699.1966

We highly recommend that you interview and make your own determination as to the person's competencies and qualifications.

If you would like to have your name added, deleted or has a phone number change please email information to stacy.mcgrath@premiercommunities.net

Construction Traffic Expected At Keller Hicks And Alta Vista

Keller ISD residents that travel through the intersection of Keller Hicks Road and Alta Vista Road are being advised to adjust their travel schedules to allow for traffic anticipated as part of the North Beach Street extension project.

Work on the extension for North Beach Street north of Golden Triangle Boulevard will begin in early February and portions of the Keller Hicks-Alta Vista intersection are expected to be closed at various times into early April.

The City of Fort Worth has committed that traffic will not be

completely shut off during the project, but left turn lanes will not be provided, which may lead to significantly slowed traffic patterns. Special provisions will be made by the contractor to maintain safe, secure sidewalks through the intersection while the work is in progress.

Keller ISD will be working with the city and the construction contractor, and will continue to make information available detailing walk paths and crosswalks around the intersection for our student walking and bike-riding traffic.

Covenant Corner

The information below is quoted from our VOWS Homeowners Covenants, which can be found on the HOA website (<http://www.woodlandspringshoa.com>). These are the Covenants each homeowner signed when purchasing a home, and that each agreed to abide by at that time. Please be kind to your neighbors and follow these covenants.

FENCES

5.3.4 Fences & Walls. This Section is subject to the Architectural Control Committee's right to adopt additional or different specifications for construction or reconstruction of fences. Any fence or wall must be constructed of masonry, brick, wood or other material approved by the Association. No chain link fences are permitted (except community athletic fields). No fence or wall shall be permitted to extend nearer to any street than five feet (5') from the front of any residence. However, all side yard fencing on corner Lots shall run parallel to the curb and may be placed up to the side Lot line and shall not extend beyond a point of five feet (5') behind the front of the residence on that side. Any fence or portion thereof that faces a public street shall be so constructed so that all structural members and posts will be on the side of the fence away

from the street so that they are not visible from any public right-of-way. No portion of any fence shall extend more than eight feet and one-half feet (8-1/2') in height. If Owner desires to stain the fence the approved stain color is medium brown. All other fence stain colors must have prior Architectural Control Committee approval. Retaining walls must be constructed entirely with Architectural Control Committee-approved materials, however railroad ties may not be used for a retaining wall visible from a street. Fences may not be constructed between a dwelling's front building line and the street. Each owner, at owner's expense, must maintain the fence to a standard, and with the appearance that is commensurate with the neighborhood. Specifically, each fence must not have:

- Rotting fence posts causing fence to lean
- Missing or broken fence panels or boards
- Boards that are not secured to main fence structure

5.3.5 Iron Fences. On Lots opening onto a public park, open space common area, or green belt, the Owner is required to erect (excluding the util-

ity easements) an iron fence on that portion of the lot that is contiguous and adjacent to the open space, public park, common area and/or greenbelt. The iron fence must be at least four (4) feet tall and may not exceed six (6) feet in height. The iron fence must be uniform throughout any particular Section of the subdivision and the detail for the iron fence must be approved in writing by the Architectural Control Committee.

Friendly Reminder about PETS!

5.3.9 Animals. No animals or livestock shall be raised, bred or kept on the Property except that dogs, cats or other household pets may be kept for the purpose of providing companionship for the private family. Animals are not to be raised, bred or kept for commercial purposes or for food. It is the purpose of these provisions to restrict the use of the Property so that no person shall quarter on the premises cows, horses, hogs, guinea fowls, ducks, chickens, turkeys, skunks or any other animals that may interfere with the quietude, health or safety of the Community. Pets must be restrained or confined by their Owner to the back yard of the applicable

Lot, inside a fenced area or within the residence erected thereon, provided any such pets may be walked only if such pet is restrained by a leash. It is the Owner's responsibility to keep the front of their Lot clean and free of pet debris. All animals must be properly tagged for identification. Unless the Rules provide otherwise, the subsections of this Article shall govern animals at the Property.

5.3.9.1 Disturbance. Pets must be kept in a manner that does not disturb the peaceful enjoyment of residents of other Lots.

5.3.9.2 Waste Removal. Resident is responsible for the immediate removal of his pet's wastes from the common areas or the lot of another owner.

5.3.9.3 Liability. An owner is responsible for any property damage, injury, or disturbance caused or inflicted by an animal kept on the lot. The owner of a lot on which an animal is kept is deemed to indemnify and to hold harmless the Board, the Declarant, the Builder(s) and the Association, from any loss, claim, or liability resulting from any action of the animal or arising by reason of keeping the animal on the Property.

Yard of The Month

Congratulations to the homeowners at 2917 Softwood Circle for the most beautiful yard in VOWS for March 2012. The homeowners will receive a \$40 gift card courtesy of Alta Vista's nursery, a yard sign designating them yard of the month, and of course, bragging rights!

Thanks for making VOWS a beautiful place to live!

If you would like to nominate someone for yard of the month, please email vows.communications@gmail.com.

Neighborhood Responsibilities

An Editorial Opinion

As the Chairman of the Advisory Committee (AC) for Villages of Woodland Springs, I am often asked by neighbors what they can do to help our community. My best answer - Be Involved. It isn't always easy. People are busy with day-to-day life. They are working, taking care of children, attending school athletic events, attending church and a host of everyday obligations. I fully understand that. But, if you are not involved, who will be? Certainly, if you want, you can leave it to the thirty to forty people who are on the Advisory Committee and its various sub-committees and work groups. You do not have to be involved to that extent, but you could attend the Advisory Committee meetings. They are held every fourth Tuesday of the month except for November and December, for which we make adjustments due to the holidays. In the six years I have served, there has been only one time we did not meet as regularly scheduled and that was when we were under a severe storm alert. Other than that we are at the Amenity Center on Timber Creek at 6:30 p.m. on the fourth Tuesday of the month.

Did you realize that the population of our community is more than that of the city of Argyle? Do you also know that we deal with many of the same problems as small cities do? We have budgets to meet, maintenance issues, contractor issues, security issues. All these effect you, and we on the AC do our best to represent you. But the truth is, we are often working on instinct, because people do not come to the meetings to let us know what their concerns are. Practically the only time anyone attends is when they have a complaint or a personal issue they want to address. With the exception of a handful of people, nobody attends if they haven't a personal issue. But we seek your input, so that we will best be able to determine what the needs and wants of the community are.

It is the responsibility of all of us to take care of our neighborhood. Those of us on the various committees work to do what we feel is right, but it would be nice if others helped us, by giving us input, so that we know we can better represent you all.

David P. Davidson

Upcoming Events:

Bunny Hop April 7

The VOWS Events Committee is always in need of volunteers for all community events. If you have some free time to help out at an event, please email events.vows@gmail.com. This commitment will only be for around 3 hours the day of the event. Please email the above address if you can help out. Volunteers are what make events such as these successful and fun for children (and adults!) in our community. We really appreciate all the help we can get. The events below have tentatively been scheduled 2012, but will not occur without volunteers.

Tentative Events Scheduled for 2012:

Mother Son Field Day/Picnic	May 12
End of School Luau	June 2
Fourth of July Celebration	June 30
Fall Festival	October 13
Breakfast with Santa	December 8

VOWS Community Garage Sale May 4 - 6

It's time for that semi-annual clean out of closets and garages! Our community garage sales attract lots of attention from buyers, so take advantage of the free advertising and unload all your extra "stuff". Do your own sale or join with neighbors for a combined extravaganza! All you need to do is get your free permit (see below), price your stuff, and hold your own sale on May 4 - 6.

The City of Fort Worth does require permits for garage sales, but they are free and can be obtained online at www.fortworthgov.org, by calling 817-392-2222, or in person at by visiting the Development Department Permit Desk, 1000 Throckmorton, Fort Worth, Texas. Also, only one sign is permitted, must be on the premises and can be no larger than 2 square feet in area. NOTE: You have to get a permit from the City of Fort Worth. Here's the link: <http://www.fortworthgov.org/forms>. Please submit your request at least 72 hours (3 days) prior to your planned sale date. If your request is submitted after 3 PM on Friday you will not receive your permit until the following Monday.

You Can Make A Difference!

Do you have an hour a month to volunteer to help keep The Villages of Woodland Springs a safe place to live? We are the Citizens on Patrol. Our Fort Worth Police Department will provide you with training, take you out in a squad car to respond to live calls, let you participate in unmarked details and train you to use a real police radio.

Our presence makes a difference. VOWS is one of the safest communities in North Fort Worth and we want to keep it that way. If you would like to know more about the Code Blue Citizens on Patrol Program, please contact Officer Barry Sawyer at barry.sawyer@fortworthtexas.gov.

KoKo FitClub

Fully Automated Personal Training

What Is Fully Automated Personal Training?

All of your strength training sessions are guided. You plug your personalized Koko Key into a Smartrainer and follow the directions on the screen. The screen shows you a live animation of how to perform the exercise correctly, what weight to set the machine to, how many reps to do and it even paces you through each and every rep. After you have completed each set you get a score telling you how well you did staying on pace with the prescribed exercise.

**No Joining
Fee for
March**

**Better than personal training.
It's Koko Smartraining.**

Shutting Off All Pool Cards.... Why, You Ask?

VOWS will be performing a pool access card system software upgrade prior to the 2012 Pool Season. In effort to clean up the current access card system database and update the contact information for all Homeowners, we will be shutting off all currently issued pool cards. By shutting off the pool access cards, we will be able to eliminate the usage of previously unreported missing, lost, or stolen cards. Additionally, this measure will assist greatly in ensuring that only those Residents that are presently current with the Association are able to access the community amenities and facilities.

We ask that all Homeowners please contact the Onsite Management Office at 817.741.1719 or email Stacy at stacy.mcgrath@premiercommunities.net to verify your present pool access card information and update your contact information.

If you currently are a Homeowner of a tenant (renter) please also inform us with the following information. Copy of the lease agreement, can be brought in as proof of residency to turn the pool card back on.

As stated in the DCCR's: The Gov-

erning Documents shall apply to Owners as well as occupants of Lots and their respective tenants, guests, and invitees. Any lease of a Lot shall provide that the lessee and all occupants of the leased Lot shall be bound by the terms of the Governing Documents.

5.3.14 Leasing of Homes. All owners must register all lessees/tenants with the Association within thirty (30) days of each lease. The registration must include the following information:

- Tenant(s) full name
- Tenant(s) contact information
- Full names of all additional occupants not listed in the lease agreement
- Commencement date of lease
- Expiration date of lease
- The name, address, and phone number of owner's managing agent, if any

We sincerely apologize for any inconvenience incurred by our Homeowners as a result of this action, but have determined this step necessary in promoting the safest, most secure community amenities and facilities possible.

Thank you in advance for your cooperation in this matter.

My Tax Dollars At Work

Ever wonder how your tax dollars are being spent? A new City of Fort Worth online service offers residents a way to see who is getting their property tax dollars, and how those funds are allocated by the city.

My Tax Dollars At Work is a service on the city's website that provides a breakdown of residents' property taxes, including a breakdown of which entities receive portions of those property taxes.

Residents enter the latest appraised value of their home, whether or not they have a homestead exemption, and which school district their home is in, and click the "calculate" button. If a resident is unsure of that value number, there is a link on the web page that connects with the Tarrant Appraisal District website, where that information is available.

Once the numbers are entered, the result is a breakdown of the total amount of property taxes they pay, plus how much goes to the different county, city and ISD entities.

In addition, the program breaks down how much of their tax dollars are spent on city services — public safety, community services, infrastructure services, etc.

The goal, Budget Officer Horatio Porter said, is transparency — a clearer picture of where tax dollars are going.

"I think this is a great tool," Mayor Betsy Price said. "One of the main questions we get asked by citizens is, 'What are you doing with my tax dollars?' This really helps explain that."

NTMWD Notice on Algal Blooms

North Texas Municipal Water District (NTMWD) is currently seeing a rise in algal counts in Lavon Lake, which typically represents an onset of an algal bloom.

Taste and odor changes in treated drinking water caused by blooms may be noticed. The taste and odor is a palatability issue only and does not alter the quality of the water provided to the cities and the communities served by NTMWD. The water supply remains safe for use with no health risks created by these events.

For more information about algal blooms and the steps NTMWD is taking to minimize the taste and odor issues caused by these algal blooms, see the NTMWD fact sheet for algal blooms and the web page on taste and order on the NTMWD's website: <http://www.ntmwd.com>

In addition, the NTMWD website has been updated to include information regarding the ozone implementation plan for the Wylie Water Treatment Plants and how this treatment process, once on-line, should significantly reduce and/or eliminate the taste and odor issues caused by algal blooms.

About Microconstituents in Water Supplies

The North Texas Municipal Water District would like to provide you with the attached information regarding microconstituents in drinking water supplies. The information is intended to assist with public inquiries. This information is also posted on the NTMWD's website: <http://www.ntmwd.com> and can be accessed through the Water Quality header.

Woodland Springs Homeowner's Association

The purpose of a homeowner's association (HOA) is to maintain, enhance and protect the common areas and interests of the subdivision or neighborhood. In order for an individual homeowner to utilize neighborhood amenities (pond, pools, parks, tennis courts, etc.) each member of a homeowner's association pays periodic assessments. The assessments are used to pay for the community expenses such as entrance monuments, landscaping, amenities like clubhouses, tennis courts, or walking trails, insurance for commonly-owned structures and areas, an on-site management company or any other item delineated in the governing documents or agreed to by the homeowner's association.

Currently, the homeowner's association for The Villages of Woodland Springs is comprised of the Board of Directors and Centurion American (the developer). Until full development of the Villages of Woodland Springs is completed, the primary governing body will be the Board of Directors and Centurion American. The intermediate group between the residents and the homeowner's association is the Advisory Committee, which is comprised of elected residents. Sub-Committees report to the Advisory Committee.

Advisory Committee meetings are normally held the 4th Tuesday of each month at 6:30 pm at the Amenity Center on Timberland. **The March 2012 meeting of the Advisory Committee will be on March 27.**
