

## Request for Architectural Control Committee Approval

This is your application for approval by the Architectural Control Committee of an improvement to your lot or home. Please read it carefully. The Architectural Control Committee will review your information and approve or deny your request. The Architectural Control Committee has the allowance of up to sixty (60) days to respond with a decision (following the receipt of this request). You may email, mail or drop off this completed request form.

Mail or Deliver to: FirstService Residential  
12209 Timberland Blvd.  
Ft. Worth, TX 76244  
Attn: Villages of Woodland Springs

Email: [ACC@woodlandspringshoa.com](mailto:ACC@woodlandspringshoa.com)

## Architectural Request Form Guidelines/How it works

Please Note: You will always need to refer to the Declaration of Covenants, Conditions and Restrictions (DCC&R's) for any architectural guidelines and questions. If after reading the DCC&R's you still have questions or concerns, please do not hesitate to call the HOA office at 817-741-1719 and we will be happy to assist you.

Per the Declaration of Covenants, Conditions and Restrictions of the Villages of Woodland Springs Homeowners Association, Inc., no Architectural or Landscaping Changes may be made without first getting approval from the Architectural Control Committee (ACC).

FirstService Residential is not the ACC and does not make the decisions, but acts as a liaison between the Board of Directors/ACC and the homeowner(s).

1. Please fill out the ACC request form completely. If it is incomplete, the ACC will send it back and the time period in which the ACC has to make a decision starts all over again. The association wants you to have your request answered in as timely a manner as possible and can better achieve this if the form is complete the first time.
2. Please be certain to include a copy of the plat or site plan of your lot with the correct figures/measurements and placement clearly marked. You should have received a plat copy or site plan in your closing documents. (Unfortunately, FirstService Residential cannot obtain this for you. It will be necessary to contact the title company that handled the closing.)
3. Please include any plans, material samples you have, etc. (depending on the project) as well as the requirements outlined in the DCC&R's. This could include a need for a list of materials (wood: type and color, stain: type and color, brick: type and color, metal: type and color, etc.) and possibly samples of the materials if the ACC requests is after the initial application. FirstService Residential cannot fill out the ACC request form, plat, materials list etc., for the homeowner. It is the homeowner(s) responsibility to obtain and complete these items, however, FirstService Residential will do everything possible to help guide you in order to complete your request.
4. Once you have filled out the paperwork correctly, include your plat, and any other requirements according to the DCC&R's, you can mail or fax it to the following.(if the materials involved to show type/ color/ weight, etc. you will need to mail or deliver your application along with the material samples.):
  - a. Mail or deliver to: FirstService Residential  
12209 Timberland Blvd.  
Fort Worth, Texas 76244  
Attn: Villages of Woodland Springs
5. In accordance with guidelines in the DCC&R's, the ACC is allowed to take up to 60 days to return a decision.(If your DCC&R's say otherwise, you do not have an updated copy and need to refer to the Community Update this insert was enclosed with!) The ACC looks at each request on an individual basis, as the lots in your community differ in size and placement within the development. What may not be acceptable for one area (because of but not limited to: view or height issues) may be allowed in another area of the development.
6. Once FirstService has received the application & determined it has been properly submitted, it is immediately logged and forwarded to the ACC on the same day it is received. If it something that requires mailing, it may take 2 to 3 days before the ACC receives your application. A log is kept so that FirstService Residential can follow up on ACC requests and make certain your response happens in+ as timely a manner as possible.
7. Once FirstService receives the response from the ACC, it is logged and then forwarded to the homeowner on the same day FirstService receives it. If you should disagree with an ACC decision concerning your request, you will need to write your appeal and send it in for response from the ACC. FirstService cannot change the decision made by the ACC. Only the ACC can make that determination.
8. We hope this guideline helps you with any Architectural Requests you may have in the future. Please do not hesitate to call the office at (817) 741-1719 or email [ACC@WoodlandSpringsHoa.com](mailto:ACC@WoodlandSpringsHoa.com).

# THE VILLAGES OF WOODLAND SPRINGS HOMEOWNERS ASSOCIATION

## NEIGHBOR SIGNATURES

Neighbor signatures are required for **CHANGES AND/OR UPGRADES TO SHARED FENCES**. The Architectural Control Committee reserves the right to request neighbor signatures if a request falls outside the Architectural Guidelines and the Committee deems it necessary for review of the request.

The attached plans were made available to the following neighbors for review:

*By signing this form, the neighbor indicates their approval of the proposed modification.*
