VOWS Fall Garage Sale September 27, 28 and 29

The Villages of Woodlands Springs Fall Garage Sale will take place on September 27, 28 and 29. Remember you will need to get a permit from the City of Ft Worth to participate in the sale. There is no cost to do this. You can download the form by going to www.fortworthtexas.gov. Click on the link for Permits. You may also get a permit by phone by calling 817-392-2222.

Permits shall be secured at least 72 hours prior to the sale and shall be prominently posted on the premises during the sale.

One sign advertising the sale is allowed on the premises only, and must not exceed 2 square feet in size. All other signs, either on or off the premises, are prohibited.

No more than two sales on the same premises in any one calendar year.

Here are some tips for a successful garage sale:

- All items should be clean, polished, and in good repair. A little wear and tear is OK, but don't knowingly sell damaged items which could potentially injure the purchaser.
- Practical household goods, bicycles, children's toys and clothes, sports equipment,

and garden tools are highly popular items. Clothes should be marked by size and hung on a temporary rack to allow shoppers to easily look at garments. Adult clothes are usually less appealing, so price them accordingly.

- Set up your items in a visually appealing, easily accessible manner. By neatly and attractively merchandising what you have for sale, the value of the items will appear enhanced.
- Cluster things in categories. Place the most desirable items in the back so browsers are urged to look at other merchandise on their way to the more exciting items.

- Locate any appliances where you have ready access to electrical power to allow potential buyers to try before they buy.
- If you have large, heavy items such as furniture, tires, etc., place them near the curb to make loading easier. If it's a hassle to get something out of your driveway and into a buyer's vehicle, a fickle shopper may decide it's not worth his or her time and move on.
- Have bags, boxes, newspaper, or bubble wrap on hand to wrap glass and fragile items.
- Post a notice that all sales are final. It's not advisable to accept personal checks – stick with cash. Get several rolls of coins and small bills in mixed denominations to make change. And keep your cash box in a protected location.
- If you're having a joint sale with several neighbors in one location, designate one person to manage the cash box, and another person to record sales in writing. This will help keep track of what items are sold, make it easier to distribute proceeds at the end of the sale, and avoid any disagreements.

COVENANTS CORNER

Trash Carts: Pick up and Storage

Fort Worth provides residential curbside garbage pickup one time per week in the resident's choice of three brown cart sizes. The city also offers weekly collection of recycling in the blue carts and yard waste in the green carts. All weekly collections take place on Monday of each week.

For items that are too large, heavy or bulky to fit into the brown garbage cart, curbside collection is made the week of the 1st Monday of each month.

- All garbage must be contained in garbage bags within the brown cart.
- The lid must be completely closed.
- Overstuffed carts will not be picked up.
- Bags left outside the cart will not be picked up (except city-issued "Pay Bags").
- The cart must be at the curb by 7 a.m. on your pickup day.
- You may set out your cart after 6 p.m. the night before your pickup day.
- Place cart so that the handle faces your house and the se-

- rial number faces the street.
- Place cart a few inches from the curb or edge of the street; do not place cart in street.
- Retrieve cart from curb by midnight on your pickup day.
- City ordinance requires residents to store carts so they can't be seen from a public street while standing in front of the house.

Please see the chart from the City of Fort Worth on proper placement of carts.

Here is what your HOA DCC&R's state about trash storage:

5.2.3 Dumping. No Lot or other area on the Property shall be used as a dumping ground for rubbish or a site for the accumulation of unsightly materials of any kind, including, without limitation, broken or rusty equipment, disassembled or inoperative cars, other vehicles or discarded appliances, furniture and/or grass clippings. Trash, garbage or other waste shall not be kept except in sanitary containers. All incinerators or equipment for the stor-

age or other disposal of such material shall be kept in clean and sanitary condition. Materials incident to construction of improvements may be stored on Lots during construction so long as construction progresses without undue delay.

Your HOA Compliance Liaison will be driving the community to ensure all trash carts are stored properly. Please remember to place your cart in the proper location so that you do not receive a letter from the HOA.

Did you know that VOWS has a Facebook page???

The number of users on our neighborhood Facebook page is growing! We find this to be a great tool to get the word out about everything from lost pets to community events and everything in between.

Find us on
Facebook

Visit
facebook.com/woodland.springs
today!

It's important to note that the Facebook page is not monitored or endorsed by the Homeowner Association or FirstService Residential. It was created by residents as a tool to help inform neighbors of things such as missing pets, items for sale and barter, small groups and events, and so much more.

Yard Of The Month

Congratulations to the homeowners at 11505 Cactus Springs for the most beautiful yard in VOWS for September 2013. The homeowners will receive a \$40 gift card courtesy of The Flower Ranch, a yard sign designating them Yard of the Month, and of course, bragging rights!

Thanks for making VOWS a beautiful place to live!

If you would like to nominate someone for yard of the month, please email vows.communications@gmail.com.

Timber Creek High School Homecoming Parade

Timber Creek High School is pleased to announce their 3rd annual Homecoming Parade on Monday, September 9, 2013.

The parade will depart Timber Creek High School, located at 12350 Timberland Blvd., at 5:30pm and will continue west down Timberland to Old Denton Road. At Old Denton, they will make a U-turn and come back to Timber Creek High School. The parade should conclude at approximately 6:30pm.

The parade will be accompanied by police officers from the Fort Worth Police Department. Parade participants will or may include all of the feeder pattern schools of Timber Creek High School, namely: Bette Perot Elementary, Caprock Elementary, Eagle Ridge Elementary, Freedom Elementary, Independence Elementary, Ridgeview Elementary, Woodland Springs Elementary, Trinity Meadows Intermediate, Trinity Springs Middle, Timberview Middle, and Timber Creek High School.

The Homecoming Game will be held on Friday, September 13 at 7:30pm at the Keller ISD Sports Complex adjacent to Keller High School. Enjoy the parade and try to come out and cheer on the Falcons as they host Creekview.

HAVE A GREAT SCHOOL YEAR!

Keep The Villages of Woodland Springs *Beautiful!*

There have been numerous reports of litter throughout the community. The presence of litter increases the likelihood of socially unacceptable behavior. It sends the message that the area is uncared for. People are more likely to report feeling unsafe in a littered area. They may also have a lower level of satisfaction with a littered community.

When leaving an area, please look around you. Make sure you have all of your belongings and trash. There are numerous trash cans throughout the community for your use. If you see trash on the ground, please pick it up and place it in the trash cans, even if it doesn't belong to you. By taking a few extra seconds to pick up any trash you see will make a big difference in the appearance of our neighborhood.

Thank you for doing your part to keep our community clean and free of litter.

School Has Started

All of the area schools are back in full swing. There will be Teenagers driving themselves, parents taking and picking up little ones and busses on the road. Not to mention the great number of students that walk to school. Please remember when you are driving during school hours to be mindful of the school zone speed limits and obey them! **Also remember not to text and drive! This is a must!** Keep your eyes and your mind on the road. Our children are the most precious things we have. We want them all to be safe.

Here... time flies even when you're NOT having fun.

CELEBRATING OUR FIRST YEAR OF OUTSTANDING WAIT TIMES AT THE **ER** AT ALLIANCE.

THE **ER** AT ALLIANCE WOULD LIKE TO RECOGNIZE EVERYONE WHO MADE OUR FIRST YEAR A HEALTHY ONE, AND SAY THANKS FOR ALLOWING US TO CARE FOR YOU.

When you're feeling bad, time seems to really slow down. But at the **ER** at Alliance, we're dedicated to helping you recover as fast as possible.

Fruit Salsa with Cinnamon Chips

- 2 kiwis, peeled and diced
- 2 Golden Delicious apples - peeled, cored and diced
- 8 ounces raspberries
- 1 pound strawberries
- 2 tablespoons white sugar
- 1 tablespoon brown sugar
- 3 tablespoons fruit preserves, any flavor
- 10 (10 inch) flour tortillas
- Butter flavored cooking spray
- 2 tablespoons cinnamon sugar

Directions

1. In a large bowl, thoroughly mix kiwis, Golden Delicious apples, raspberries, strawberries, white sugar, brown sugar and fruit preserves. Cover and chill in the refrigerator at least 15 minutes.
2. Preheat oven to 350 degrees F (175 degrees C).
3. Coat one side of each flour tortilla with butter flavored cooking spray. Cut into wedges and arrange in a single layer on a large baking sheet. Sprinkle wedges with desired amount of cinnamon sugar. Spray again with cooking spray.
4. Bake in the preheated oven 8 to 10 minutes. Repeat with any remaining tortilla wedges. Allow to cool approximately 15 minutes. Serve with chilled

TIMELY TIP FOR GARDENERS

FALL LAWN FEEDING

Research has proven that your fall lawn feeding is one of the most important ones of the year! Your lawn has just passed through the stressful summer months and need food to rebuild itself.

Most premium-type lawn food supply three sources of nitrogen. The first source provides a quick shot of nitrogen to give your lawn a nice greening effect. The other two are controlled-released to provide a consistent supply of nitrogen over the next several months. A 21-5-10 formula also supplies the needed nutrients to stimulate root development, makes your grass hardier for the winter months, and provides food for next spring's growth!

This is also the time to apply preemergents to control those unseen broadleaf and grassy weed seeds to prevent them from sprouting over winter and spring.

So, don't kick back and settle into football season quite yet- finish those last lawn chores and enjoy the results next spring!

Kids the School Bus & YOU

**BACK TO
SCHOOL
SAFETY!**

U.S. Department of Transportation
National Highway Traffic Safety
Administration

DOT HS 808 423
July 1995

For twenty-three million students nationwide, the school day begins and ends with a trip on a school bus. The greatest risk is not riding the bus, but approaching or leaving the bus. Before children go back to school or start school, it is essential that adults and children know traffic safety rules.

Drivers

- When backing out of a driveway or leaving a garage, watch out for children walking or bicycling to school.
- When driving in neighborhoods with

school zones, watch out for young people who may be thinking about getting to school, but may not be thinking of getting there safely.

- Slow down. Watch for children walking in the street, especially if there are no sidewalks in neighborhood.
- Slow down. Watch for children playing and congregating near bus stops.
- Be alert. Children arriving late for the bus may dart into the street without looking for traffic.
- Learn and obey the school bus laws in your state. Learn the "flashing signal light system" that school bus drivers use to alert motorists of pending actions:
- Yellow flashing lights indicate that the bus is preparing to stop to load or unload children. Motorists should slow down and prepare to stop their vehicles.
- Red flashing lights and extended stop arms indicate that the bus has stopped, and that children are getting on or off. Motorists must stop their cars and wait until the red lights stop flashing, the extended stop sign is withdrawn, and the bus begins moving before they can start driving again.

Children

- Get to the bus stop at least five minutes before the bus is scheduled to arrive.
- When the bus approaches, stand at least three giant steps (6 feet) away from the

curb, and line up away from the street.

- Wait until the bus stops, the door opens, and the driver says that it's okay before stepping onto the bus.
- If you have to cross the street in front of the bus, walk on the sidewalk or along the side of the road to a point at least five giant steps (10 feet) ahead of the bus before you cross. Be sure that the bus driver can see you, and you can see the bus driver.
- Use the handrails to avoid falls. When exiting the bus, be careful that clothing with drawstrings and book bags with straps don't get caught in the handrails or doors.
- Never walk behind the bus.
- Walk at least three giant steps away from the side of the bus.
- If you drop something near the bus, tell the bus driver. Never try to pick it up because the driver may not be able to see you.

Parents

- Teach children to follow these common sense practices to make school bus transportation safer.
- Watch out for suspicious vehicles or persons! Report any suspicious activity to 911 immediately!

Woodland Springs Homeowner's Association

The purpose of a homeowners association (HOA) is to maintain, enhance and protect the common areas and interests of the subdivision or neighborhood. Individual homeowners, as members of the association, pay periodic assessments support & utilize neighborhood amenities (pond, pools, parks, tennis courts, etc.). The assessments pay for community expenses such as entrance monuments, landscaping, amenities like clubhouses, tennis courts, or walking trails, insurance for commonly-owned structures and areas, an on-site management company, or any other item delineated in the governing documents or agreed to by the homeowners' association.

Currently, the Advisory Committee, which is comprised of elected residents, is the intermediate group between the residents and the Board of Directors and Centurion American (VOWS developer). This will continue until full development of VOWS is completed. The sub-committees report to the Advisory Committee. All residents are invited to attend Advisory Committee meetings which are normally held the 4th Tuesday of each month at 6:30 pm at the Amenity Center on Timberland.
